

Remembrance Trees

Tree Lighting Ceremony

Sunday, December 3, 2023

4:00 pm

Ball-Caldwell House & Barn Lawn

16 East St. Caldwell, OH

The Christmas Season is full of magic, wonder and beautiful memories, but we also know this time of year can be challenging for many, especially those who are grieving the loss of a loved one.

A Remembrance Tree allows us to acknowledge the lives of those we have loved and lost, and can give comfort to family and friends with a place they can come to visit through the season at any time.

Last year, we had over 45 beautifully lit Remembrance Trees displayed throughout the Ball-Caldwell House and Barn lawn.

This year the trees will be placed in the same location, with the Tree Lighting Ceremony taking place on Sunday, December 3 @ 4:00 pm. Each individual remembrance tree and the persons it honors, will be recognized and the families will be given a special momento.

Families may purchase a tree(s) in honor of as many individuals/families as they wish. Businesses and local organizations may also purchase trees to highlight themselves for the Christmas season.

For the 2023 season, new artificial trees will be staked and white solar lights will be available for your family to string up when you decorate. You may add additional solar lights to your tree, if you wish. This year cost is \$75.00, which includes solar string lights and a decorative sign on your tree with the name(s) of who your tree is honoring.

The deadline to purchase is November 17, 2023.

Decorating of the trees will be between November 22 - December 1.

All trees must be decorated by December 1, 2023.
